BATTISCOPIA E PROFILI IN LEGNO

BASEBOARD & WOODEN PROFILES

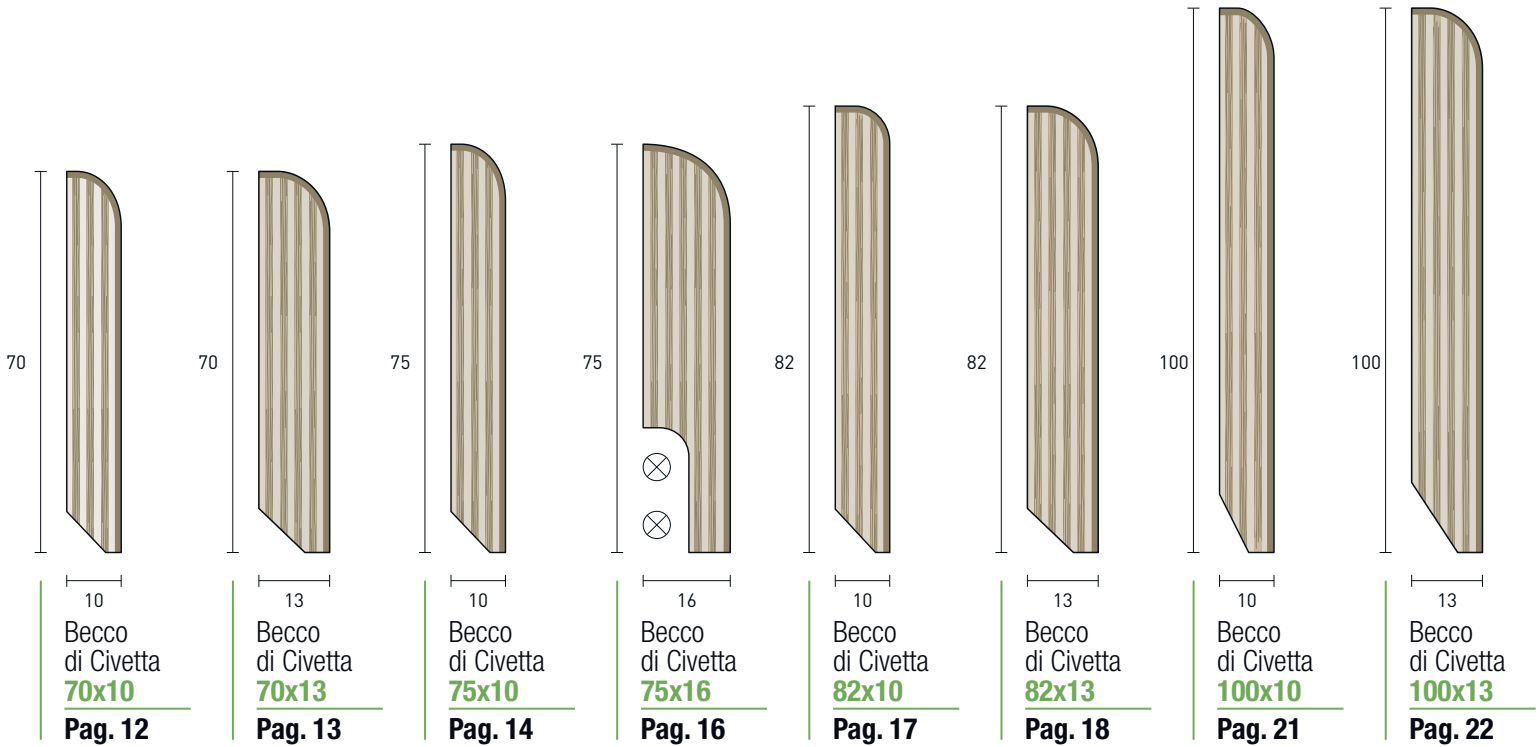

**I COLORI E LE TONALITÀ
DEI CAMPIONI NONCHÉ LE
ILLUSTRAZIONI PRESENTATE
IN QUESTO LISTINO, SONO
PURAMENTE INDICATIVE E
NON VINCOLANTI.**

Le tonalità RAL indicate sono da ritenersi vincolanti solo se comparate con una tabella RAL ufficiale che farà da riferimento per la produzione del profilo. In ogni caso onde evitare controversie sulla correttezza della tonalità è sempre necessario, nel caso in cui il profilo debba essere accostato ad altri elementi in tinta RAL, stabilire anticipatamente un campione che farà da riferimento per la compatibilità del colore.
Rif. sito ufficiale RAL Germania - www.ral.de

**THE COLORS AND HUES
OF THE SAMPLES, AND THE
ILLUSTRATIONS SHOW INTO
THIS PRICELIST, ARE MERELY
INDICATIVE AND ARE
NON-BINDING.**

The RAL colour shades are only binding if compared with an official RAL chart which will provide the benchmark for production of the profile. In all other cases, to avoid disputes concerning colour shades, in the event that the profile has to be matched with other items produced to RAL colours, a colour benchmark sample must be agreed in advance to ensure colour compatibility. See official RAL Germany site - www.ral.de
