The best
alternative
to wood

The best alternative to wood

Crafted with meticulous attention to detail, our new Laminate flooring this collection combines elegance and functionality. Designed in Europe and produced in Germany, Tarkett's Laminate flooring embodies the brand's renowned expertise, guaranteeing unmatched quality and performance.

With 5 new collections, Tarkett's Laminate flooring seamlessly merges durability and design excellence, offering a palette of 47 unique décors and four plank sizes to transform your living and hotel spaces according to your vision. From the timeless charm of herringbone patterns, adding luxury and warmth to your home or hotel rooms, to the contemporary allure of long and wide planks for architectural spaces, our collection caters to every preference and style.

Beyond its aesthetic appeal, our collections boasts remarkable durability. The protective layer ensures high resistance to scuffs, scratches, and stains, maintaining the floor's beauty for years to come. Perfect for family life, our Laminate flooring can withstand the demands of small children, playful pets or heels, making it a wise and enduring investment.

Experience hassle-free installation, thanks to the user-friendly click systems, saving you time and effort.

For added versatility, explore our water-resistant ranges that seamlessly fuse style with practicality, offering a flooring solution built to withstand daily demands.

Embracing sustainability, our PEFC certification underscores our commitment. Responsibly sourced from managed forests and controlled sources, All Laminate collections are sourced from responsibly managed forests and controlled sources, promoting a greener future while preserving the timeless beauty of natural wood in your home.

From entry-level to premium, find your perfect Laminate floor. Your taste, your needs, covered.

Collection overview

Woodstock Sunningdale Oak Nature | 510051017

Tarkett Laminate flooring

With 5 brand new collections offering 47 inspiring décors, your perfect laminate floor awaits. From timeless classics to modern styles, our floors cater to diverse interior preferences. Delight in the design details

Finishes & embossing

Indulge in the allure of a sleek and modern matte finish that effortlessly mimics the elegance of real hardwood flooring. With its authentic embossing, laminate flooring brings the timeless charm of hardwood to your space, all while providing durability and easy maintenance for the perfect combination of style and practicality.

Replicate the natural

Direct printing for laminate flooring offers high-definition decorative layers that authentically replicate the look and feel of real wood, providing a natural and convincing appearance.

Digital printing

Discover our advanced digital printing technology, enabling us to reveal the most subtle details of wood décor, each plank boasting a unique grain that covers an impressive 10 m² without repetition.

Attention to detail

Embossing-in-register, featured on most of our designs, enhances laminate flooring with realistic textures, elevating the visual appeal and providing a genuine hardwood experience, making your space truly exceptional.

Bevelling

No bevel

- Seamless appearance: No bevels create a smooth and seamless surface, the room appear more spacious, perfect for smaller areas or open floor plans.
- Easy cleaning: Cleaning becomes hassle-free as dirt has fewer crevices to accumulate.
- Enhanced versatility: Easy transitioning between rooms and a more cohesive design throughout your home

4-sided bevel

- Realistic appearance: 4 bevels create a defined separation, mimicking genuine hardwood flooring.
- Depth and dimension: Bevels add texture and authenticity to the laminate, elevating its look.
- Visual interest: Distinct bevels add character, making it a room focal point

Board formats

With your Tarkett Laminate flooring, get total design flexibility with 4 different plank formats. From creating a timeless herringbone style with small planks to accentuating your room's volume with long and wide planks, discover the perfect fit for your unique style.

Enhanced durability

- Woodstock Longboards

Explore our premium laminate flooring collection, offering Class 32 for residential spaces, providing elegance and endurance for busy households. And Class 33 for commercial-grade durability ideal for light commercial traffic areas, such as hotel rooms. With various formats, finishes, and bevels, we cater to diverse customer needs, ensuring long-lasting beauty and functionality.

Laminate composition

- ① Highly resistant protective surface**
Innovative surface protection for durability and better cleanability. Embossing to give a more realistic textured surface for a sophisticated decorative effect.
- ② Premium decorative layer**
To allow a wide variety of very detailed designs and beautiful colours and patterns.
- ③ High density core board for better resistance**
High density fiberboard (HDF) produced from more than 80% wood to provide exceptional structural strength, high resistance and stability.
- ④ Highly stable balancing layer**
Protection of the core board from moisture to guarantee better dimensional stability.

Innovative click systems

Our various click systems offer user-friendly advantages, streamlining installation for both end-users and professionals. Their intuitive designs ensure easy and fast assembly, eliminating the need for complex tools. Each collection features a special click system tailored to your needs, ensuring a seamless and efficient flooring upgrade.

5G

The 5G click system provides a fast and easy installation for laminate flooring, ensuring a hassle-free experience.

Water resistance on Easy Line

The Easy Line collection comes with an innovative Unilin click locking system, ensuring a strong and secure connection, preventing gaps and spaces between planks, for better floor stability. The secure interlocking mechanism not only reduces movement but also fortifies its water-resistant properties. The range is ideally suited for dry areas like living rooms, bedrooms and dining rooms, where the risk of water exposure is minimal. Durable, beautiful, and water-resistant, the Easy Line collection offers a reliable flooring solution for any installation.

Easy Line Kingsley Oak Brown | 510037007

Water resistance on Woodstock AquaBlock

Discover the Woodstock AquaBlock, a testament to innovation and resilience. With its cutting-edge system, the range is water-repellent, water-resistant, and highly durable, making it ideal for both family homes and professional spaces like hotel rooms.

The force-fit locking system and swell-resistant mounting board ensure steadfast installations. AquaBlock's impressive capability to withstand liquids makes it perfect for bustling family environments, offering peace of mind with children and pets around.

Main benefits:

- **Waterproofing:** Water repellence provides a protective barrier, preventing water from soaking into the material for up to 24 hours.
- **Stain resistance:** Water repellent surfaces are less prone to stains.
- **Often more durable than standard laminate:** The additional water-resistant features protect the core material from moisture-related wear and tear.
- **Better protection against water damage compared to standard laminate:** Excellent choice for areas prone to spills, humidity, or potential water exposure such as kitchens and entryways.

Woodstock AquaBlock Swinley Oak Beige | 510042040

Easy installation

Our laminate flooring requires minimal subfloor preparation, as it can be installed over existing floors, such as wood, concrete, or tile, saving you hassle.

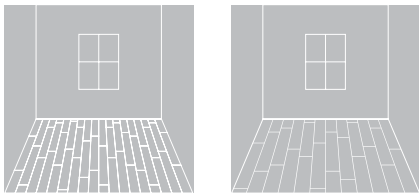

Compatible with underfloor heating systems

All our collections are suitable for installation over an underfloor heating system. Its dense construction allows it to efficiently conduct heat, creating a warm and cosy environment in your home, ensuring your space remains comfortably heated. Enjoy the perfect combination of comfort and style with laminate flooring and underfloor heating, making your home a welcoming oasis in any season.

You can install and start using Tarkett laminate on the same day!

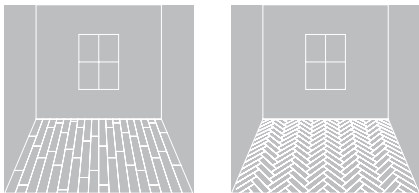

Adapt your laying after the room

Since Laminate flooring is made to imitate real wood flooring, you should lay your Laminate planks in the same way you would real wood planks or boards. If the room is rectangular, you should lay the planks parallel to the longer wall, and if the room is square, you should lay the planks towards the primary source of light. If you're installing Laminate in a corridor, lay the planks along the length of it. Bigger rooms can handle long and wide planks that emphasizes the space.

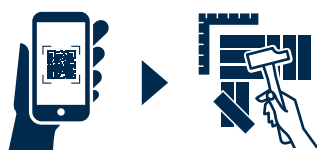

Choosing your pattern

With our new Tarkett Laminate flooring collections, you have the freedom to choose from various plank formats for your room. Alternatively, opt for classic patterns like Woodstock Herringbone, evoking a timeless feeling of elegance and warmth.

Refer to installation instructions & warranties for detailed information on our website:

<https://eqrcode.co/a/laminate>

Accessories

For an optimal finish, our Laminate range includes skirtings and various other accessories including underlayers which benefit is a significant reduction in floor impact noise, achieving an average acoustic rating of 19 dB.

For more details please contact your local Tarkett representative.

Care & maintenance

A hassle-free maintenance

Easy to clean means easy to maintain:

- Hard sealed surface with a stain-resistant overlay making our Laminate floorings very easy to clean: a vacuum and a damp mop with mild detergent are all they need.
- Tight locking system preventing dust and dirt from collecting between the boards.
- Dirt-repellent melamine resin surface as an excellent barrier against the growth or spread of germs, contributing to a healthier home environment in every living space.

Woodstock AquaBlock Sheffield Oak Spring | 510043033

When applied regularly, these tips will help keep your floor looking as good as the day you laid it:

- Daily: wipe or vacuum.
- Once a week or more: wipe the floor with a damp mop or a cloth moistened with warm water and a neutral detergent.
- Whenever necessary: remove dust with a broom or vacuum cleaner to avoid dust and dirt build-up.
- It is advisable not to let the water station on the floor for a long time. For the Woodstock Aquablock collection, liquid can be still up to 24 hours.

Woodstock Herringbone Toulouse Oak Brown | 510045026

Woodstock

Sunningdale Oak Nature | 510051017

Our Woodstock range features advanced embossing techniques, creating remarkably realistic textures that offer an authentic experience akin to natural wood materials. In this collection, you'll discover classic wood designs, boasting both calm and rustic expressions. Moreover, the fast and easy new 5G click system allows you to enjoy your new flooring in just a few simple steps.
